

# HF201

ALL SEASON  
PNEU TOUTES SAISONS

The HF201 All Season Tire is designed to provide a blend of performance, comfort and safety. Specifically tailored for Passenger Cars & CUVs, this tire offers durability and dependability year-round.

- **Special Tread Compound:** Provides excellent grip on wet and dry roads.
- **Four-wide Circumferential Tread Grooves:** Delivers excellent performance on wet roads.
- **Continuous Solid Center Ribs:** Improves directional stability and prevents irregular wear while providing a comfortable experience.
- **Improved Groove and Bead Profile Design:** Offers better handling and ride stability.
- **Optimized Variable Pitch Tread Design:** Delivers superior comfort and a quiet ride.

Le pneu toutes saisons HF201 est conçu pour procurer une combinaison de performance, confort et sécurité. Expressément conçu pour les voitures de tourisme et les VUM, ce pneu offre une durabilité et une fiabilité à longueur d'année.

- **Composé de la bande de roulement spécial :** Procure une excellente adhérence sur les chaussées sèches et mouillées.
- **4 rainures périphériques sur la largeur :** Elles offrent une excellente performance sur chaussée mouillée.
- **Nervures centrales rigides continues :** Elles améliorent la tenue de cap et préviennent l'usure irrégulière tout en procurant une expérience confortable.
- **Conception améliorée des rainures et du profil de talon :** Offre une tenue de route et une stabilité de conduite améliorées.
- **Conception optimisée de la bande de roulement à séquence du pas variable :** Procure un confort supérieur et une conduite silencieuse.
